OFFICE OF THE INSPECTOR GENERAL OF EDUCATION
IN MYSORE,

Bangalore, 21st January 1918 273

IMMEDIATE

In the interest of the Govt. it seems to me absolutely necessary that persons who are appointed Probationers should be relieved before the middle of March. The difference of pay will be made to them. After 2 months it will be necessary to get away from the Govt. I am much relieved for nearly a month.

Dear Sir,

The appointments of Probationers and Assistant Commissioners has come at a time most inconvenient to the Education Department. There are now -- 6 weeks -- barely ~~two months~~ before the examinations will be on and it is impossible, without inflicting very serious injury to the students, to relieve the teachers who have been appointed away from the Department.

If Mr. B.S. Raghavendra Rao goes away from the Collegiate High School, Mysore, the science work will be so seriously jeopardized that I have no manner of doubt that many students who would otherwise have -- passed would fail. They will have to waste a whole year and undergo the demoralization incidental to failure not due to their own faults. On the other hand if Mr. Raghavendra Rao is not relieved he loses

pay perhaps also seniority. But at the same time in the best interests of Government service it does not seem to be fair to allow people to make a convenience of the Department and recognize ~~any~~ ^{the} right to quit it *at any* in a moment that suits their purpose.

The case of Mr. Raghavendra Rao is only one amongst others. I took it up for purpose of illustration

I request therefore that in future the lists of probationers etc. be published about the last March when the least possible dislocation of business will occur.

That for the present year the men whom it has been found absolutely impossible to relieve without ruining the prospects of hundreds of students may be given the pay etc. of their new appointments from the date of the appointments as a special case.

This matter may kindly be treated as very immediate.

Yours sincerely,

C. V. D. D. D.
